SAFETY RULES—*Please read carefully*

- Wear safety glasses when cutting or observing cut in progress.
- Always lay chisel flat side down.
- Never chisel towards yourself.
- Always unplug power equipment when making adjustments.
- Keep blocks of wood picked up and work area clean of debris.
- Be aware of the danger of tripping.
- While moving timbers, be your partners' eyes—do not let them back into a trip hazard.
- Do not overload yourself—ask for help.
- Do not drop timbers—lay or set them down carefully—your partners will appreciate it.
- Practice safe lifting—lift with your legs.
- Always be ready for “kickback” while using power saws in green timbers.
- Never force power equipment while cutting or drilling.
- No pets allowed in the shop.
- Report all injuries, no matter how minor, to one of the instructors.
- The use of drugs and alcohol at the shop or on the job site is strictly prohibited.

Waiver of Liability. As an unpaid apprentice and/or student, I release Goshen Timber Frames, Inc., from all liability for any injury or accident that may occur during the workshop, apprenticeship period, or any subsequent attendance for continuing education at Goshen raisings or offsite workshops. This waiver extends to any activity I may undertake including, but not limited to: sawing, cutting, erecting and/or raising and enclosing a timber frame, and any ancillary activities connected thereto. I have read the safety rules printed above and will abide by them.

I have read and agree to comply with the above Waiver.
